

Cramerton Christian Academy Music Department

2020-2021 Violin Lessons Enrollment Information

\*30 minute weekly lessons are scheduled mostly during school hours.

\*Students must have access to a violin for at home practice in between lessons. Possible rental/purchase companies are Music Center or Howren Music both in Gastonia, [atlantaviolins.com](http://atlantaviolins.com), and [sharmusic.com](http://sharmusic.com).

\*Weekly investment of at home practice time is 30/60 mins for Elementary and 2/3 hrs for Middle/High School. Students' success rates soar when parents oversee at home practice!

\*We use email for communication. Please make sure the office has the email address that you check most frequently.

\*Students should bring all supplies with them on the day of their lesson. If a student forgets to bring the necessary lesson materials, he/she should still attend the lesson.

\*Students will perform in a Christmas and a Spring Recital.

\*Elementary students will be escorted to and from lessons. Middle/High School students are expected to come on their own and be on time.

\*We are contracting to give each student 30 lessons. Teachers will notify parents if a lesson is missed, but unexcused absences will not be made up. If a lesson is missed due to an excused absence, a 20 minute make-up lesson will be scheduled. Please let your teacher know AHEAD OF TIME if your student will have to miss a lesson.

\*Payment is due to CCA by the 15<sup>th</sup> of each month through incidental billing.

\*Cost: Non-Refundable Registration Fee (required to hold reservation) = \$25

\$80 per month x 9 months = \$720

Books and Materials = \$25

\*Registration Fee covers administrative and recital costs.

\*Register as early as possible since lesson availability is limited. Complete and turn in to the School Office the attached Application with the Registration Fee to reserve a spot for your student. Lessons begin the last week of Aug.
