

Cramerton Christian Academy Music Department

Piano, Voice, and Acoustic Guitar Lessons Enrollment Information Updated 2023

*30 minute weekly lessons are scheduled mostly during school hours.

*Piano students must have access to a piano or weighted keyboard for at home practice in between lessons. Voice students must have access to the internet or a CD player (a piano or keyboard is also helpful) for at home practice in between lessons. Guitar students must have access to an acoustic guitar for at home practice in between lessons. A Yamaha FG Jr1 is recommended for an elementary student.

*Weekly investment of at home practice time is 30/60 mins for Elementary and 2/3 hrs for Middle/High School. Students' success rates soar when parents oversee at home practice!

*We use email for communication. Please make sure the office has the email address that you check most frequently.

*Students should bring all supplies with them on the day of their lesson. If a student forgets to bring the necessary lesson materials, he/she should still attend the lesson.

*Students will perform in a Spring Recital in order to continue lessons the following year.

*Elementary students will be escorted to and from lessons. Middle/High School students are expected to come on their own and be on time.

*We are contracting to give each student 30 lessons. If a lesson is canceled due to teacher/school schedule change (such as a teacher's absence or a school snow day), a 30-minute REPLACEMENT lesson will be offered. Also, if a student gives more than a 24-hour notice that they will miss an upcoming lesson (perhaps for traveling or field trip), a 30-minute REPLACEMENT lesson will be offered. If a student misses a lesson with less than a 24-hour notice, a 20-minute MAKEUP lesson will be offered. REPLACEMENT and MAKEUP lessons will be offered either during the same week as one of their regularly scheduled lessons but on a different day, or back-to-back with another lesson creating a double lesson.

*Lesson enrollment is considered "annual" as is school tuition, rather than "monthly" or "hourly". The annual lesson payment is divided into 9 equal monthly payments, and will remain the same regardless of students' attendance or holidays in a given month. Payment is due to CCA by the 15th of each month through incidental billing.

*Cost: Non-Refundable Registration Fee (required to hold reservation) = \$25

\$70 per month x 9 months = \$630

Books and materials will be billed separately and are usually \$20 or less

*Registration Fee covers administrative costs, piano use and tuning costs, and recital costs.

*Register as early as possible since lesson availability is limited. Print, complete, and turn in to the School Office the attached Application with the Registration Fee to reserve a spot for your student. Lessons begin the 2nd full week of school.
